

NOTICE OF MOBILE APPLICATION UPDATE

On January 27, 2025, TouchBanking mobile application is being client branded to become Methodist Hospital Emp FCU. Please see an image of the icon below.

Member experience will be the following:

When you open your current TouchBanking app, you will be prompted to action an update for the app. When you click Update Now, you will be brought to the appropriate app store listing for our Client Branded App. Once the new app is downloaded, your login credentials remain the same, but the App Code will no longer be required.

Please call the credit union if you experience any problems with the update.

Thank you for your continued support.
