HOLIDAY SKIP-A-PAY

Take advantage of our Holiday Skip-A-Pay program and you can have extra cash during the season you need it most.

Just complete and return this form and you may be able to skip your December or January payment on one or all of your loans. This is subject to approval based on the current status and history of your loans with us. Finance charges will continue to accrue on all loans affected by this program, which may cause the maturity date on each to be extended.

If you have your loan payment automatically deducted from your payroll, the amount of the payment will be deposited into your savings account.
